

Jim Ullery is a seasoned sales and customer service professional who has won many sales awards. "In 2006, 2007, 2008 & 2009 Jim Ullery earned the status of AchieveGlobal's top national business partner within AchieveGlobal's network of college, university and consulting distribution partners. Jim is a certified Professional Selling Skills® (PSS) trainer and has facilitated the program for over 20 years.

Center for Organizational Energy now offers the Professional Selling System **SALES PRO** program. We also offer the **COMPASS** Leadership & Management Program (monthly sessions in a unique combination of live and interactive instruction that emphasizes involvement, participation and team work and represents a complete departure from traditional training methodology), Needs Assessments, Customer Service training, Professional Selling System Negotiation, Coaching & Prospecting, Sales Coaching, Cracker Jack® Credit and Collections. Jim is also available for retreats and keynote addresses. His work has been acknowledged in *INC. Magazine* and *Successful Meetings* and his employer at the time was named as one of the "Top 5 Training Organizations in the Country."
